SANDLER CENTER FOUNDATION 10

TEN SEASONS OF GREAT PERFORMANCES

Your membership not only gives you some fantastic perks, but your membership dollars go directly **back to the community**. That's right, your philanthropic support is directly invested right back in your LOCAL community. The Sandler Center Foundation provides funding every year to **thousands of students from Title I schools** across Hampton Roads to see an educational matinee at the Sandler Center through our **ACCESS the ARTS** program. The Foundation also provides tickets to area **teachers, first responders** and our **local military** through the **Local Heroes** program.
