BLACK JACKET SYMPHONY PERFORMS TOM PETTY'S *DAMN THE TORPEDOES* SANDLER CENTER FOR THE PERFORMING ARTS FEBRUARY 16, 2018

Virginia Beach, VA – Black Jacket Symphony performs Tom Petty's *Damn the Torpedoes* **Friday, February 16, 2018** at Sandler Center for the Performing Arts.

Tickets go on sale Friday, November 17 at 10am at Ynottix.com

The Black Jacket Symphony offers a unique concert experience through recreating classic albums in a live performance setting. A selected album is performed in its entirety by a group of handpicked musicians specifically selected for each album, with no sonic detail being overlooked--the musicians do whatever it takes to musically reproduce the album - in this case, it's Tom Petty's *Damn The Torpedoes*

The performance is separated into two sets. The first set features Tom Petty's *Damn The Torpedoes* being recreated as a true symphonic piece. The second set, which features a selection of Tom Petty's "greatest hits," opens in full contrast to the first set with an incredible light display and the symphony being much more laid back. The tone is set very quickly that the show will feature the high level of musicianship of the act being covered and will also be accompanied by all the bells and whistles of a major rock and roll show.

About the Sandler Center for the Performing Arts

The Sandler Center for the Performing Arts opened on Nov. 3, 2007, and is professionally managed by Spectra Venue Management (spectraexperiences.com), formally Global Spectrum. With its soaring glass façade revealing the magnificent lobby, the grand staircase and glittering chandelier, Sandler Center beckons patrons from its location in the heart of Virginia Beach's Town Center.

With 1,300 seats, the Sandler Center is an adaptable, acoustically superb space suited for virtually every kind of live performance. In addition to performances for audiences of all ages, the Sandler Center enriches the life of the Virginia Beach community with arts education programs, including student matinees, in-school performances and master classes with renowned artists. To learn more about the Sandler Center, visit www.sandlercenter.org.
